THE CUBAN TOBACCO SEED.

Col. Whitehead Distributing Those Sent Him by Consul-General Lee.

Some time ago Consul-General Fitzhugh Lee sent to Colonel Thomas Whitehead. Commissioner of Agriculture of Virginia, a quantity of Cuban tobaccoseed. As soon as this fact became known among the agriculturists of the State, those farmers interested in tobacco culture began to apply to the Commissioner for some of the seed, and the result is that they are rapidly being the result is that they are rapidly being distributed throughout the State. It was said at the office of the Board of Agriculture by Clerk Bigger yesterday that more than 100 requests for the seed had been received and granted, and they were coming in by every mail.

The requests come from all over the State. The farmers are going to make a thorough test of the tobacco, and if the experiment is satisfactory, a new era will

the courts forever.

In the case of John Marchelli, charged with shooting a pistol in G. Massie's saloon, the accused was fined \$25 and costs. John says he was in the saloon, when Fred. Jaspar came in and began the use of indecent language towards him. John further said that Fred. attempted to produce a "gun," which gave the occasion for the opening of his battery. The darky told his Honor that he did not have a pistol, nor did the officers who effected his arrest find one on his person. Jaspar himself was fined \$5 and costs for too much English.

The church will be handsomely decorated; the choir, will be handsomely decorated; the choir, under the efficient leadership of Professor John Baseler, will render several beautiful selections; the pastor. The May Music Festival.

The Wednesday Club has concluded negotiations with the Boston Festival Orstra and a quintette of vocal soloists for the annual music festival, to be held May 6th and 7th, when there will be three concerts, instead of two, as here-tofore, an orchestral matinee being the additional concert, and taking place on the 7th of May. the 7th of May.

This engagement marks a decided advance in the cause of music, as the artists and orchestra engaged are all that could be desired for the purpose; and it is certain that the festival programmes will be eminently success artistically. It now remains for the people of Richmond to show their ap-preciation of the enterprise of the Wed-nesday Club by guaranteeing it against financial loss, and, at the same time, availing themselves of this opportunity for hearing a festival of music, which promises to be well worthy of the name.

AN INCIDENT AT THE SMOKER.

Exception Taken to Gen. Johnson's Allusion to Southwest Virginia.

Considerable comment has been aroused by an incident which took place at the annual smoker of the Richmond Bar Association, held in the Commonwealth Club Thursday night.

General Bradley T. Johnson, in the course of his speech on Cuba, in trying to disabuse the minds of his hearers of the impression that the population of the island was predominated by the negro element, and to impress them with the belief that the native Cubans were men of great intelligence and alertness, drew a comparison between the Cubans and the men of Southwest Virginia. Both, said the General, were tall, raw-loned, active, brave, and alert individu-

Judge Graham, of Tazewell, who was a guest of the association, was much disturbed by the comparison, and friends who sat near him at the time feared that he would not let the matter pass.

Nor did he; but he took the words of the General in good part, and rallied nim about what he termed his probable ignorance of the people and country in the Southwest of the State, Judge Grates ham said yesterday that he was deeply hurt by General Johnson's comparison, which he considered invidious. The in-tercourse between himself and the Gene-ral on the subject, he added, was entirely devoid of any bitter feeling, and was perfectly good-natured.

As a matter of fact, said Judge Graham, Southwest Virginia is settled by

cotchmen and people from the north ristics of the great race to which their ncestors belonged.

Eugenie Blair in Jane Eyre. Eugene Blair returns to Richmond today, and will appear at matinee and evening performances in "Jane Eyre." As Lady Isabel, in "East Lynne," Miss Blair has achieved a remarkable success and her presentation of "Jane Eyre" will e awaited with much interest. The play tells a sad story, yet it is

strongly written and very pleasing. Its atmosphere is domestic, and its final ending is more satisfactory and happy than "East Lynne." The company assisting Miss Blair is fully capable of bringing out the interest

and charm of the play.

Next Monday evening the celebrated comedian, Mr. Nat. C. Goodwin, and his comedy company, headed by Miss Moxime liott, will appear at the Academy "An American Citizen." The play is in four acts, and is the work of Madeline Lucette Ryley, who is remembered as the authoress of "Christopher, Jr.," which John Drew brought out. The play scored the greatest success in Chicago known there in years, and the gifted and popular comedian is said to have made the most pronounced success in this play of his brilliant career.

Gladness Comes

With a better understanding of the transient nature of the many physical ills, which vanish before proper efforts-gentle efforts-pleasant effortsrightly directed. There is comfort in the knowledge, that so many forms of sickness are not due to any actual disease, but simply to a constipated condi-tion of the system, which the pleasant family laxative, Syrup of Figs. promptly removes. That is why it is the only remedy with millions of families, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact, that it is the one remedy which promotes internal cleanliness without debilitating the organs on which it acts. It is therefore all important, in order to get its beneficial effects, to note when you pur-

chase, that you have the genuine article, which is manufactured by the California Fig Syrup Co. only and sold by all reputable druggists.

If in the enjoyment of good health, and the system is regular, laxatives or they remained are they are they remained in the system. other remedies are then not needed. If afflicted with any actual disease, one may be commended to the most skillful physicians, but if in need of a laxative, one should have the best, and with the well-informed everywhere, Syrup of Figs stands highest and is most largely ased and gives most general satisfaction.
